Charges Explained

KSL, prefers maintaining transparency at every level, and hence, here is a complete list of all the charges applicable to your transaction.

Please note these charges may change in the future and as per government and regulatory directives.

Security Transaction Tax (STT)

It's a direct tax levied on every security transaction in the exchange, collected by the broker. STT is charged on both buying and selling on equity delivery, and on selling on intraday and F&O.

Transaction / Turnover Charges

Transaction / Turnover charges are levied by exchanges (NSE, BSE) and clearing charges are levied by clearing member for settling trades done by the clients.

Call and Trade

An additional charge of INR 20 applies to all executed order placed over the phone.

Offline Trade

Trades which are not done online by clients are considered as offline trade. For e.g.: Margin Square-off, RMS Square-off, Auto Square-off, contract expiry etc.

Stamp Charges

Until now, variable stamp charges applied at different states as per the Stamp Duty Act of 1899 on instruments transacted in the stock exchange. From July 1 2020, the government has decided to replace the current system with new uniform stamp duty rates in shares, debentures, futures and options, currency, and other capital assets. Please refer to the list above for the current rates.

GST

An 18 percent GST applies on brokerage, transaction charges, SEBI Charges and Risk Management charges.

SEBI Charges

The Security and Exchange Board of India (SEBI) charges fees on security transactions for regulating the market. Please check the above table for rates.
