Good Morning Early Readers!

U.S. oil prices have extended their rally to a seventh straight week. WTI is trading at \$81.02/bbls for the first time since 2014. **Well, rising oil prices are the only probable black swan we come across which can work against equities listed at Dalal Street.**

For the day, metal stocks are likely to be in limelight as in overnight trade — commodity prices have jumped.

With an interweek/intermonth perspective **we are bullish on stocks like NMDC, JSW STEEL and HINDALCO.**

Technically speaking, it's likely to be all sunshine as long as Nifty stays above 17707 and Bank Nifty above the 37457 mark. This optimistic backdrop should take Nifty easily above its aggressive magical goalpost at 18250 mark.

The options data for October series suggests Nifty is likely to be in a trading range of 17600-18300 zone. Maximum Call OI is at 18000 followed by 18500 strike price. So, the 18000 mark will be Nifty's crucial resistance zone. Maximum Put open interest stands at 17000 levels followed by 17500 levels. Call writing was seen at 18000 and then at 18500 strike price, while there was meaningful Put writing at 18000 and then at 17800 strike prices.

As per **Monday's provisional data** available on the NSE, FIIs sold shares worth Rs. 1303.22 crores while DIIs sold shares worth Rs. 373.28 crores in the Indian Equity Market.

Stock banned in F&O segment: BANK OF BARODA, BHEL, CANARA BANK, INDIABULLS HOUSING FINANCE, IRCTC, NALCO, PUNJAB NATIONAL BANK, SAIL, and SUN TV NETWORK.
