Good Morning Early Readers!

WTI is trading at \$80.60 a barrel for the first time since 2014. **Well, rising oil prices are the only probable black swan we come across which can work against equities listed at Dalal Street.**

For the day, metal stocks are likely to be in limelight as commodity prices maintain a firm trend. **Vedanta (CMP 312) appears to be a screaming buy. Establish long positions.**

Earnings season is now upon us. Today, all eyes will be on the Q2 earnings of INFY, WIPRO and MINDTREE.

Also, commanding attention will be:

1. **U.S CPI data (Post Market)**
2. **Fed September Minutes (Post Market)**

Technically speaking, it's likely to be all sunshine as long as Nifty stays above 17817 and Bank Nifty above the 37857 mark. This optimistic backdrop should take Nifty and Bank Nifty easily towards their aggressive magical goalpost at 18500 and 40000 mark. We suspect, Bank Nifty to outperform the Nifty.

The options data for October series suggests Nifty is likely to be in a trading range of 17600-18300 zone. Maximum Call OI is at 18000 followed by 18500 strike price. So, the 18000 mark will be Nifty's crucial resistance zone. Maximum Put open interest stands at 17000 levels followed by 17500 levels. Call writing was seen at 18000 and then at 18100 strike price, while there was meaningful Put writing at 17400 and then at 17200 strike prices.

As per **Tuesday's provisional data,** FIIs sold shares worth Rs. 278.32 crores while DIIs sold shares worth Rs. 741.22 crores in the Indian Equity Market.

Stock banned in F&O segment: BOB, INDIABULLS HOUSING FINANCE, IRCTC, NALCO, PNB, SAIL and SUN TV NETWORK.
