

Technically, the gyan mantra is to keep on wearing the bullish cap as long as Nifty 22021 support is held.

Now, the 2-big catalysts to trickle in this week:

- 1) RBI Policy decision on April 5th.
- 2) US Nonfarm payrolls report to be out on Friday, April 5th will be anxiously awaited.

Daily Research Reports

Good Morning & Welcome to Tuesday's trading session at Dalal Street, dated April 2nd 2024.

Strictly speaking, the market had a great start to FY 2025. History suggests that the year as a whole will end not with a whimper, but a bang.

Well, Nifty stood tall in yesterday's trade and most importantly, scaled fresh record high at 22529.95.

But this Tuesday morning, Gift Nifty is indicating some pessimism.

Blame it on 2-negative catalysts:

- 1) FIIs were net sellers in yesterday's positive session.
- 2) Overnight Wall Street was seen trading on the backfoot. (Monday's losses at Wall Street came after the Institute for Supply Management's manufacturing index (ISM) added fresh concerns to the possibility of persistent inflation, causing Treasury yields to leap.

The 10-year US yield hit 4.323%, just shy of its all-time intraday high for the year).

That brings us to our call of the day which suggests some of the ongoing bullish landscape must get dented but strictly speaking, 'the Party Isn't Over Yet at Dalal Street'.

Agreed the indicators are overbought, but they have never signaled to 'go short'.

At the most, bullish consolidation is likely to be the preferred theme.

Long story short: The stubborn Nifty Bulls will Refuse to Listen to any Bearish Logic.

Uncharted territory could be the new normal above Nifty 22530 mark.

Outlook on Tuesday: Bulls are likely to regroup on any corrective declines.

Commanding attention from here on will be the 2-big catalysts:

- 1) RBI Policy decision on April 5th.
MPC in its three-day meeting is likely to suggest that there will be no change in policy rates. The street will also eye RBI Governor Shaktikanta Das commentary.
- 2) US Nonfarm payrolls report to trickle in on Friday, April 5th will be anxiously awaited.
